

Message from Chairman

Dear all students, parents, teachers & partners all over the world

Welcome to join World International Mathematical Olympiad Final 2023. For the year 2023, we have 284 onsite candidates at Kuala Lumpur in Malaysia and 70 onsite candidates in Hong Kong in a total of 354 candidates to join WIMO Final Round. WIMO Academy is jointed a GLOBAL Mathematical society to form an union to train Mathematics elite students by former IMO winners. The objective is to invite ALL GOLD Winners from TIMO Final, Big Bay Bei Final or HKIMO Final to learn with former IMO winners. To promote Mathematical Olympiad all over the world, WIMO provides an intensive & valuable experience in winter on Mathematical Olympiad lessons with TOP Mathematics elite students.

This is a wonderful result for all of us to be interested in WIMO Final 2023 this year. We have 9 Teams from Bulgaria, Hong Kong, India, Indonesia, Malaysia, Myanmar, Philippines, Thailand and Vietnam. This year, WIMO committee is honoured to invite Chinese University of Hong Kong (Shenzhen) to provide conditional offers to winners in Senior Secondary Group, especially a conditional offer to the WORLD CHAMPION in Senior Secondary Group.

After the pandemic, WIMO Final 2023 is the 1st event to be held onsite only. It is a new challenge for WIMO committee to prepare the awarding ceremony in a short period of time.

I wish World International Mathematical Olympiad Final more successful!

I look forward to meeting everybody in WIMO Final 2024 at Shenzhen, China!

All best,

Dr. Andy Lam, PhD in Mathematics -- Concentration in Actuarial Science and Risk Analytics
Chairperson, World International Mathematical Olympiad Final
